Notes:

- The April-June hikes listed as 'Tentative' assume a typical winter & maintenance from 2023, they will be finalized at the Hike Committee Meeting in March 2024
- We meet at the event location (e.g., trailhead for hikes). There is no organized car pooling, however, participants can make their own car pooling arrangements.
- Individual event coordinators (e.g., hike leaders) and event locations (e.g., buildings within the parks) may have additional requirements that MUST be followed at all times.
